

Be #deafblindaware

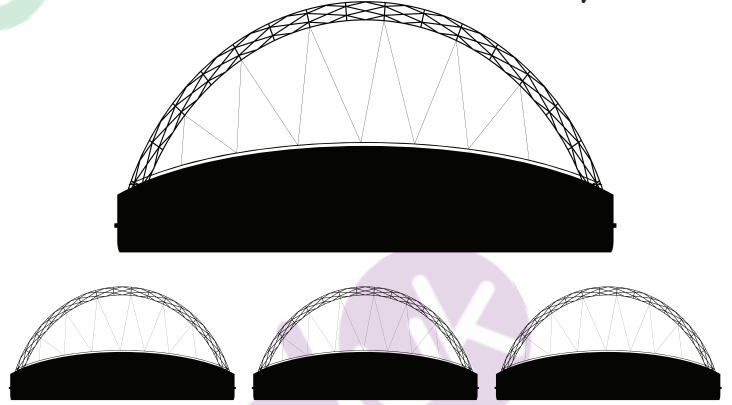

There are approx.

356,000

deafblind people
in the UK*

They would fill Wembley Stadium
nearly 4 times

Deafblind doesn't always mean completely deaf and blind

It can mean someone has some sight and hearing loss

4 main types of deafblindness

Born
deafblind
(congenital)

Born blind,
hearing loss
later

Born deaf,
sight loss
later

Hearing &
sight loss in
later life

A hearing and
sight loss causes
a unique wider
set of needs
